COMMUNITY ENGAGEMENT

We take a bottom up approach to solving the pressing issues of the day. Community participation is key.

BROADBAND INTERNET

Our goal is to bring high-speed broadband Internet to Westport and surrounding communities for FREE.

COMMUNITY PORTAL

To help drive Internet adoption we launch an Internet-based community portal that becomes the "pathway" to the Internet for the inexperienced users.

YOUTH DEVELOPMENT

Working with Baltimore City Mayor's Office Youth Works, we identify and hire motivated youth to inspire and engage the community.
